

NEW USA Gymnastics Sanctioning Policy **Effective January 2012**

USA Gymnastics is committed to promoting a safe environment for its members, participants, coaches, officials, volunteers and staff in all of the gymnastics disciplines.

Consistent with this commitment, USA Gymnastics is instituting a new sanction policy to ensure that all meet directors, as well as the club(s), independent organization(s), and/or committee(s) they represent, adhere to the USA Gymnastics Standard of Care policy and procedures.

Effective January 2012, the following criteria will be required to be a meet director and/or host a USA Gymnastics-sanctioned event or activity:

- Club(s), Independent organization(s), and/or committee(s) must be a registered business* or member club to sanction events.
- A meet director must be a current professional member in good standing and must be affiliated with a registered business* or member club to sanction events.
- USA Gymnastics-related activities – TOPS testing, Future Stars, Jump Start, camps, clinics, educational courses, etc. – can only be hosted by a USA Gymnastics registered business* or member club.
- USA Gymnastics National/Regional/State Committees may only award meets to clubs, independent meet director(s) and/or organization(s) that are registered businesses* or member clubs.

In addition, any organization that was awarded a 2012 event sanction prior to this policy change is required to comply with the new policy. Failure to comply with the new sanction policy will result in the sanction becoming null and void.

For more information regarding how to become a Registered Business or Member Club [click here](#). Please [click here](#) to view the USA Gymnastics Standard of Care.
